“Change in Passport processing hours”

Traverse City – Due to the increasing demand for passports and limited staff availability, the Grand Traverse County Treasurer’s office will be changing their processing hours effective June 12, 2017. The Treasurer’s office regular passport processing hours will now be, Monday through Thursday, 8:30 a.m. to 4:00 p.m.

Due to being one of the only processing locations in Grand Traverse County we are seeing an increased demand for passports on top of our currently mandated required duties. Our passport hotline will still be available 24/7.

For more information, contact the Grand Traverse County Treasurer’s office at 231-922-4735 and/or visit <http://www.travel.state.gov> for alternative processing locations.
