Appointment of Grand Traverse County Commissioner To State Board of Community Corrections

Governor Rick Snyder recently made appointments to the State Community Corrections Board. One new appointment this year is Dr. Dan Lathrop of Traverse City.

The 13-member board serves in an advisory capacity to the director of the Michigan Department of Corrections and is charged with making suggestions to approve many aspects of community corrections programs throughout the state. "I thank these appointees for their willingness to serve our state in these important roles," said Snyder of Lathrop and several others who were reappointed to that board.

Lathrop is a podiatrist who has been in private practice for 40 years. He was recently reelected to the Grand Traverse County Board of Commissioners and serves as Vice-Chairman. Lathrop studied at Central Michigan University, Michigan State University, and received his doctorate from the Ohio College of Podiatric Medicine. He represents the general public and replaces Larry Inman on the State Community Corrections Board.

The appointment is for a four-year term through March 31, 2019.
